

To Participate in Passport 2 Plants

Pick up a 'passport' at the first garden center you visit.

The passport will be stamped at each garden center for a total of 3 stamps - make sure to get your passport stamped!

When your passport is stamped, you will receive an entry form into that garden center's \$50.00 raffle.

At the third garden center, after receiving the last stamp, you will receive a golden entry form to enter the drawing for the \$150 gift certificate (\$50 from each location)

HAVE FUN!
